SOURABH CHARWANDE

236,Jagjivan ram. Nagar Indore (M.P.)

Summery

With 8 years of extensive experience in Manual and Automation testing, I bring a proven track record of ensuring software quality and reliability across diverse industry domains. My expertise spans Healthcare, Fitness, Gambling, and Insurance sectors, where I've consistently delivered robust testing solutions, contributing to the success of various projects.

Areas of Expertise

- Expert in Functional, Accessibility testing, UI/UX, Compatibility, Responsive, and Regression testing for websites and applications.
- Android/ iOS/Windows/ Mac OSX/ Linux application testing.
- Worked on Fitness, Health, Insurance, bidding, Gambling and banking domains.
- Manual testing tools: Postman, SoapUI, NVDA, and AXE.
- AI Based testing using openAI and nocode tools
- Automation testing using Selenium and Appium
- Test case writing tools: Testrail, Jira, and Excel.
- Bug reporting tools: JIRA, Mantis, Bugzilla, Trello, Redmine, and Google Docs
- I relish finding tricky bugs by using software unconventionally.
